

FEATURES

- Efficient Moisture Control – Removes excess humidity in spaces up to 1,500 sq. ft., ideal for basements, bedrooms, and living areas
- Energy Smart – ENERGY STAR® compliant and uses eco-friendly R410A refrigerant for efficient, responsible operation
- Simple Digital Controls – Easy-to-use electronic interface with LED display makes setting and monitoring humidity a breeze
- Two-Speed Fan – Offers high and low settings to match your comfort needs
- Cold-Weather Ready – Operates in temperatures as low as 41°F (5°C), great for cool basements or garages
- Automatic Restart – Picks up right where it left off after a power outage
- Frost-Free Operation – Auto de-icer prevents frost build-up to maintain efficiency
- Continuous Drain Option – Direct drain feature supports hassle-free, around-the-clock moisture removal
- Reusable Filter – Washable air filter helps trap airborne particles and keeps your air cleaner
- Portable Design – Built-in castors allow easy movement from room to room
