

Danby 12,000 BTU Mini-Split Air Conditioner with Heat pump and variable speed inverter DAS120BAHWDB

FEATURES

- ▶ 21.5 SEER rating Energy Star Certified: saves you a considerable amount for heating and cooling.
- ▶ Designed to cool and heat rooms up to 500 sq. ft. with variable speed inverter ensuring this is achieved quietly and efficiently.
- ▶ Low Temp operation: operates at temperatures as low as 5F/-15C making it ideal for scenarios that requires all year round cooling while the Heat Pump makes it a 4 season solution
- ▶ Refrigerant Leak detection: unit will automatically shut down in the event of a leakage
- ▶ Comes pre-charged with R410-A refrigerant.
- ▶ Active Carbon Air filter to remove contaminants and impurities in the air and dual washable filters that provide quality air for your home
- ▶ Turbo Mode: enables the unit to reach the pre-set temperature in the shortest time
- ▶ Louver Angle Memory: when the unit is turned on, the louver will automatically revert to last stored position
- ▶ Anti-Cold Draft: fan speed and louver angle adjust according to ambient temperature to prevent cold air in heating mode
- ▶ Warranty: 24 months (P&L) in home
