

Danby 18,000 BTU Mini-Split Air Conditioner with Heat pump and variable speed inverter

FEATURES

- 20.8 SEER rating Energy Star Certified: saves you a considerable amount for heating and cooling
- Designed to cool and heat rooms up to 750 sq. ft. with variable speed inverter ensuring this is achieved quietly and efficiently
- Low Temp operation: operates at temperatures as low as 5F/-15C making it ideal for scenarios that requires all year round cooling while the Heat Pump makes it a 4 season solution
- Refrigerant Leak detection: unit will automatically shut down in the event of a leakage
- Comes pre-charged with R410-A refrigerant.
- Active Carbon Air filter to remove contaminants and impurities in the air and dual washable filters that provide quality air for your home
- Turbo Mode: enables the unit to reach the pre-set temperature in the shortest time
- Louver Angle Memory: when the unit is turned on, the louver will automatically revert to last stored position
- Anti-Cold Draft: fan speed and louver angle adjust according to ambient temperature to prevent cold air in heating mode

SPECIFICATIONS

SHIPPING INFORMATION
