

FEATURES

- Stores up to 38 bottles of wine in two distinct, separately regulated temperature zones for red and white wine storage
- Depending on your preference the upper and lower temperature zones can be set for either white wine or red wine temperatures.
- True LED track lighting system beautifully showcases the wine without the heat of an incandescent bulb
- The blue LED thermostat is easily viewed through the door
- Stainless steel trimmed black wood shelves match the stainless steel exterior
- Convenient reversible door swing for left or right hand opening
- Integrated door lock helps secure contents
- Tinted tempered glass door helps protect wine from harmful UV rays
