

Featuring Danby's exclusive retro-inspired curved door design,

metallic door finish, door lock, rubber-grip ergonomic chrome handle and stylised chrome worktop, its exterior features are only outmatched by its signature black interior. Boasting 124 litres of storage and cooling space, it features two and a half tempered glass shelves for maximum storage versatility and a vegetable crisper with glass top. Maintenance and cleaning are as simple as can be with the automatic defrost system and state-of-the-art mechanical thermostat. It also includes efficient CanStor® drinks storage and bright, reliable interior white LED light. This model is built for convenience as the reversible door hinge allows you to adjust it for either left or right-handed opening.

It's beautiful!

Great size and it's just beautiful. It's not overly designed or overly simplified. Perfect in terms of design. Enough space inside for me and 2 other coworkers to share.
