

**This Danby chest freezer is one of the most popular on the market due to its excellent energy efficiency and superb temperature quality.**

This chic unit comes with a generous 190 litres of storage space making it the ideal freezer for families. Your electricity bills will be lighter due to the freezer's efficient foam-insulated cabinet and rounded lid make sure the warm outside air won't invade the storage area. Keeping your most popular food items together and well organised is a breeze with an adjustable white wire basket and convenient compartment divider. This dependable appliance features a manual defrost function and defrost drain along with a front-mounted, state-of-the-art mechanical thermostat. The smart interior liner is designed for quick and easy cleaning while the smooth back design allows you to place the freezer flush against a wall.
